English

EDUCATION

CALIFORNIA COLLEGE OF THE ARTS

San Francisco, CA
BFA - Industrial Design
May 2022

EXPERIENCE

HASBRO

Packaging Designer and Engineer
July 2021 - Present

Worked with a variety of brands from Disney princesses to Peppa Pig along side a wonderful design team! With a large focus on sustainable design, I assisted in concept generation, prototyping, as well as collective research to attaining necessary insights. I attended regular meetings and learned about everything involved to take a product from concept to market.

Cultural Cuisine Serving Set

EMPOW

October 2020- December 2020

Tuning into our ethnic backgrounds to design a serving dish set for a cultural meal. Design to embrace the meal in every aspect, while improving the eating experience. Process included ideation sketching, rapid prototyping (with functional mechanical features) into final 3D model and renders

ACHIEVEMENTS

Red Dot Award

Brands & Communication Design 2021

The "Red Dot" is the award for high design quality. The international jury only awards this sought-after seal of quality. Awarded for my Bumbler Drone Packaging concept

The Kalmanovitz Charitable Foundation Scholarship

4 Year Full Ride Scholarship

Proud recipient of the 2018-2022 Kalmanovitz Charitable Foundation Scholarship in recognition for outstanding academic excellence. This scholarship was established in 2018 to help ensure talented students from California can pursue their dreams at CCA.
